Configuration: 1

Imagik IK1700 LCD Monitor Installation

Mod. Order: 2-72627-802 **AFMS:** N/A

Master Kit List: 2-72627-801 **ICA:** 2-72627-803

Summary:

The Imagik IK1700-100 LCD Monitor installation consists of replacing six (6) existing CRT Monitors with Imagik 17” LCD Monitors throughout the main cabin. Additionally, an existing retractable CRT Monitor in the first-class cabin is removed and two (2) new Imagik 17” LCD Monitors are installed on the aft bulkheads of the closet and galley in the first class cabin.

Notes:
