

BOEING 787 DREAMLINER

Collins Aerospace is built to move the world forward. And every day, we're imagining new ways to make the skies and the spaces we touch smarter, safer and more amazing. We don't just dream up ideas that can change the world – we design, manufacture and service unmatched intelligent solutions for our global aerospace and defense customers. We are redefining aerospace.

AIRFRAME

- Cargo systems
- Landing systems
- Nacelle systems
- Safety and security systems

AVIONICS

- Cabin connectivity
- Communications systems
- Core network
- Display and crew alerting systems
- Head-up guidance systems
- Indicators and instruments
- Surveillance systems

CABIN

- Air management systems
- Bespoke monuments
- Class dividers
- Galley inserts
- Interior and exterior lighting
- Passenger and crew oxygen systems
- Passenger service units
- Seating

MECHANICAL

- Actuation systems

POWER SYSTEMS

- Electrical power systems
- Engine components
- Fuel systems
- Power transmission systems
- Ram air turbine

SENSORS

- Air data
- Cabin video
- Cockpit door video
- Direct view video
- Engine
- Ice detection
