

# AIR GASPERS

Designed to complement our existing line of LED reading and dome light products with the same superior engineering and aesthetic qualities for which our products are known. Select the finish to compliment your reading and dome lights.

## FEATURES & BENEFITS

- Quiet and stylish
- Many plating options to complement reading and dome lights
- Easy to install
- Customizable
- Convey precise air flow volumes without leakage or noise
- EMG04—Poppet-type gasper; EMG06—Disc-type gasper

## EMG04, EMG06

### POPPET-TYPE SPECIFICATIONS

#### MECHANICAL

Dimensions:	2.45" x 0.97" (62.23mm x 24.64mm)
Weight:	4.06oz (0.12kg)
Airflow:	3.0SCFM (wide open & 3" H <sub>2</sub> O pressure)
Leakage:	0.20CFM max (fully closed & 20" H <sub>2</sub> O pressure)
Mounting Hole:	2.02" (51.3mm)
Panel Thickness:	0.38" (9.65mm) max

### DISC-TYPE SPECIFICATIONS

#### MECHANICAL

Dimensions:	2.30" x 0.74" (58.42mm x 18.80mm)
Weight:	2.65oz (0.08kg)
Airflow:	13.0SCFM (wide open & 0.5" H <sub>2</sub> O pressure)
Leakage:	0.50CFM max (fully closed & 3" H <sub>2</sub> O pressure)
Mounting Hole:	2.03" (51.6mm)
Panel Thickness:	0.38" (9.65mm) max

*\*All values nominal.*
