STC Information Sheet

FAA STC: ST03367AT

Master Drawing List: 2-38814-001

Aircraft: McDonnell Douglas DC-10-30F (KC-10) Series

Configuration: 1

Dual Artex C406-N Emergency Locator Transmitter (ELT) Installation

Mod. Order: 2-38814-801

AFMS: N/A

Master Kit List: 2-38814-802

ICA: 2-38814-903

Summary:

The dual Artex C406-N Emergency Locator Transmitter (ELT) system consists of two (2) ELT transmitters and sonalerts (buzzers) installed in the aft overhead cabin adjacent to the two (2) installed ELT antenna on the upper aft fuselage. Two (2) Remote Switches are installed in the cockpit to control the ELT systems.

Notes:

* "XXX" indicates the country code which has been programmed in the ELT. For ELTs programmed without a country code (use 24-bit ICAO address via DGL-1 Dongle), "XXX" = 999.
