FAA STC: ST03375AT

Master Drawing List: 2-38794-001

Aircraft: Embraer EMB-120 Series Aircraft

Configuration: 1

Garmin 165 GPS Installation

Mod. Order: 2-38794-800

AFMS: 2-38794-907

Master Kit List: 2-38794-801

ICA: 2-38794-906

Summary:

The Garmin 165 Global Positioning System (GPS) consists of a Garmin GPS 165 TSO Receiver installed on the forward pedestal and a GPS antenna installed on the upper fuselage crown at STA 8886.

The Garmin 165 GPS, as installed, is a stand-alone GPS with no interface to aircraft displays or autopilot system.
