STC Information Sheet

FAA STC: ST03462AT   **Master Drawing List:** 2-41556-002

Aircraft: Boeing B767-300

Configuration: 1

Honeywell MK V Runway Awareness and Advisory System (RAAS) Installation

Mod. Order:	2-41556-808	**AFMS:**	2-41556-814
Master Kit List:	N/A	**ICA:**	2-41556-813

Summary:

The Runway Awareness and Advisory System (RAAS) functionality resides within the Honeywell Enhanced Ground Proximity Warning Computer (EGPWC). The installation consists of installing a RAAS capable software level of the EGPWC, when required, and installation of the RAAS Configuration Database (RCD) software.

Contact EMTEQ for specific options, i.e. in-air and/or on-ground advisories, voice type, audio reduction level, etc., for this specific configuration.

Notes:

* if required

Material List

QTY	Part Number	Description	Source/MFGR
1 *	965-0976-003-224-224 to 965-0976-228-228	Computer, EGPWS MK V	Honeywell
1	718-1597-566	PCMCIA Card, Master Key, RAAS Configuration Database (RCD)	Honeywell
