Master Drawing List: 2-72627-001

Aircraft: Boeing B757-200 Series Aircraft

Configuration: 1

Imagik IK1700 LCD Monitor Installation

Mod. Order: 2-72627-802

AFMS: N/A

Master Kit List: 2-72627-801

ICA: 2-72627-803

Summary:

The Imagik IK1700-100 LCD Monitor installation consists of replacing six (6) existing CRT Monitors with Imagik 17" LCD Monitors throughout the main cabin. Additionally, an existing retractable CRT Monitor in the first class cabin is removed and two (2) new Imagik 17" LCD Monitors are installed on the aft bulkheads of the closet and galley in the first class cabin.

Notes:
