ESP PLATINUM FOR PT6 E-SERIES™ ENGINE

ESP PLATINUM FOR PT6 E-SERIES™ ENGINE

WE'RE RAISING THE STANDARDS WITH LOWER OPERATING COSTS, UNMATCHED COVERAGE* AND LEADING-EDGE DATA INSIGHTS AT AN UNBEATABLE PRICE – ALL BACKED BY ONE OF THE WORLD'S LARGEST SERVICE NETWORKS.

BE ONE STEP AHEAD

Increase the availability of your aircraft with the help of our predictive analytics team.

BENEFIT FROM UNMATCHED PROTECTION

Get protection for foreign object damage (FOD), environment-induced damage and much more.

MAXIMIZE THE VALUE OF YOUR ENGINE AND AIRCRAFT

Enjoy extensive cost protection and have the upper hand on resale value.

LET US TAKE CHARGE OF YOUR ENGINE MAINTENANCE

Our experts will work directly with your maintainers, arming them with new insights for a personalized, preventive plan of action.

Experience the benefits of a single ESP point of contact and no minimum flying hours, making your experience simple all around.

*Compared to ESP™ Gold for PT6A-powered PC-12 NG aircraft.
