

SATHEESHKUMAR KUMARASINGAM

Vice President and Chief Digital Officer

Satheeshkumar (Kumar) Kumarasingam was appointed chief digital officer in January 2025. Kumar leads the development and execution of Pratt & Whitney's business and digital strategy to drive innovation, enhance data analytics and increase customer satisfaction.

Kumar joined Pratt & Whitney in 1995 as a mechanical engineer and assumed positions of increasing responsibility in the Engineering, Quality, Operations, Marketing and Customer Service organizations.

Most recently, Kumar held the position of vice president, chief transformation & strategy officer at Pratt & Whitney, where he provided dedicated focus and leadership to the team responsible for transforming how the company does business, reducing complexity, furthering our digital strategy and leveraging technology to achieve profitable growth with an agile industry-leading operating structure.

Kumar is active in several community and professional organizations. He is a campaign cabinet member for Centraide of Greater Montreal (United Way).

Pratt & Whitney is a world leader in the design, manufacture and service of aircraft engines and auxiliary power units.
