LINE MAINTENANCE  
SERVICES

# DEPLOYABLE & DEPENDABLE AFTERMARKET SUPPORT

Pratt & Whitney Line Maintenance Services - part of our EngineWise® portfolio - is the latest way we're stepping up as a leader in global engine services. We deliver the cost-effective maintenance, repair and overhaul (MRO) expertise you've come to expect, now more convenient and innovative than ever before.

Thanks to our 24/7 rapid response, we're able to quickly dispatch teams to customers around the world to offer a wider range of solutions, from on-the-road critical support to planned maintenance in the shop, like post-lease inspections. Combining engine expertise with quality work, our technicians use the latest tooling and technology to perform maintenance anytime, anywhere – on-wing, near-wing or in-shop – completely on your schedule.

Supplementing work completed by Pratt & Whitney's global MRO providers, our Line Maintenance Services team's proximity to the customer helps provide quicker turn times and economic benefit. The team is focused on its mission to deliver results and surpass customer expectations with best-in-class service.
