

1. Acceptance of Purchase Order

Agreement by Seller to furnish the materials, parts, and products (“goods”) or services, including the products resulting from services hereby ordered, or its commencement of such performance, or acceptance of any payment, shall constitute Seller’s unqualified acceptance of this Purchase Order subject to these terms and conditions. In the event that this Purchase Order does not state price or delivery, Buyer will not be bound to any prices or delivery to which it has not specifically agreed in writing. Any terms or conditions proposed by Seller inconsistent with or in addition to the terms and conditions herein contained shall be void and of no effect unless specifically agreed to by Buyer in writing. Modifications hereof or additions hereto, to be effective, must be made in writing and be signed by Buyer’s Purchasing Representative. These terms and conditions, together with any referenced exhibits, attachments or other documents, constitute the entire agreement between the Parties with respect to the subject matter of this Purchase Order, and supersede any prior or contemporaneous written or oral agreements pertaining thereto.

2. Shipping Instructions; Risk of Loss

- (a) Seller shall be responsible for ensuring the proper packaging of goods hereunder. No charges will be allowed for packing, crating, freight, local cartage, and/or any other services unless so specified in this Purchase Order.
- (b) Seller shall at all times comply with Buyer’s written shipping instructions. Unless otherwise directed, all items shipped on the same day from and to a single location must be consolidated on one bill of lading or airbill, as appropriate. Seller shall submit all required shipping papers to Buyer prior to final payment. Title to goods furnished under this Purchase Order shall pass to Buyer upon formal acceptance, regardless of when or where Buyer takes physical possession, unless the Purchase Order specifically provides for earlier passage of title.
- (c) For goods purchased F.O.B. Origin (as “F.O.B. the place of shipment” is described in the Uniform Commercial Code Section 2-319), Seller shall bear the expense of and risk of loss of, or damage to, the goods until the goods are put into the possession of the carrier designated by Buyer. Seller shall not insure and not declare a value except when transportation rates are based on “released value,” in which instance Seller shall annotate on the bill of lading the lowest released value provided in applicable tariffs.
- (d) For goods purchased F.O.B. Destination (as “F.O.B. the place of destination” is described in the Uniform Commercial Code Section 2-319) Seller shall bear the expense of transport of, and risk of loss or damage to, the goods to the named place.
- (e) Purchase Order number(s) must appear on all correspondence, shipping labels, and shipping documents, including all packing sheets, bills of lading, airbills, and invoices.

3. Delivery; Notice of Delay; Obsolescence

- (a) Time is of the essence and failure to deliver in accordance with the delivery schedule under this Purchase Order, if unexcused, shall be considered a material breach of this Purchase Order. No acts of Buyer, including without limitation modifications of this Purchase Order or acceptance of late deliveries, shall constitute waiver of this provision. Buyer also reserves the right to refuse or return at Seller’s risk and expense shipments made in excess of this Purchase Order or in advance of required schedules, or to defer payment on advance deliveries until scheduled delivery dates.
- (b) Seller shall notify Buyer in writing immediately of any actual or potential delay to the performance of this Purchase Order. Such notice shall include a proposed revised schedule but such notice and proposal or Buyer’s receipt or acceptance thereof shall not constitute a waiver to Buyer’s rights and

remedies hereunder.

- (c) During performance of this Purchase Order, Seller shall notify Buyer of any planned obsolescence of the good(s) set out in this Purchase Order.

4. Termination for Convenience

- (a) Buyer may, by written notice, terminate this Purchase Order for convenience and without cause, in whole or in part, at any time, and such termination shall not constitute default. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) In the event of termination for convenience by Buyer, Seller shall be reimbursed for actual, reasonable, substantiated and allocable costs, plus a reasonable profit for work performed to date of termination. Any termination settlement proposal shall be submitted to Buyer promptly, but no later than ninety (90) days from the effective date of the termination. In no event shall the amount of any settlement be in excess of the Purchase Order value. Buyer may take immediate possession of all goods, complete or incomplete, and all products resulting from services upon written notice of termination to Seller.

5. Termination for Default

- (a) Buyer may, by notice in writing, terminate this Purchase Order in whole or in part at any time for (i) breach of any one or more of its terms, (ii) failure to deliver goods or services within the time specified by this Purchase Order or any written extension, (iii) failure to make progress so as to endanger performance of this Purchase Order, or (iv) failure to provide adequate assurance of future performance. Buyer may also terminate this Purchase Order in whole or in part in the event of Seller's suspension of business, insolvency, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors. In the event of partial termination, Seller is not excused from performance of the non-terminated balance of work under the Purchase Order.
- (b) In the event of Seller's default hereunder, Buyer may exercise any or all rights and remedies accruing to it, both at law, including without limitation, those set forth in Article 2 of the Uniform Commercial Code, or in equity, including but not limited to, Seller's liability for Buyer's excess re-procurement costs for goods or services.
- (c) If this Purchase Order is terminated for default, Buyer may require Seller to transfer title to, and deliver to Buyer, as directed by Buyer, any (1) completed supplies, and (2) partially completed supplies and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information, and contract rights (collectively referred to as "manufacturing materials" in this Section) that Seller has specifically produced or acquired for the terminated portion of this Purchase Order. Upon direction of Buyer, Seller shall also protect and preserve property in its possession in which Buyer has an interest.

6. Force Majeure

Except for a default of Seller's subcontractor at any tier, neither Buyer nor Seller shall be liable for any failure to perform due to any cause beyond their reasonable control and without their fault or negligence. Such causes include, but are not limited to, acts of God or of the public enemy, acts of the government in its sovereign or contractual capacity, fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that performance of this Purchase Order is hindered, delayed or adversely affected by causes of the type described above ("Force Majeure"), then the Party whose performance is so affected shall so notify the other Party's authorized representative in writing and, at Buyer's option, this Purchase Order may be

completed with such adjustments to delivery schedule as may reasonably be required by the existence of Force Majeure.

7. Disputes and Governing Law

- (a) Any controversy or claim that may arise out of or in connection with this Purchase Order shall be submitted in writing to senior management representatives of the Parties for resolution. If the Parties senior management representatives are unable after good faith efforts to settle the dispute to the mutual satisfaction of the Parties within ten (10) business days after the dispute is submitted in writing to the senior management representatives, or such later date as may be agreed in writing by the Parties, either Party may submit the dispute to a court of competent jurisdiction. To the extent permitted by applicable law, the parties waive any right they may have to a trial by jury. Notwithstanding the above, either Party may seek injunctive or other equitable relief in any court of competent jurisdiction at any time.
- (b) Pending resolution or settlement of any dispute arising under this Purchase Order, Seller will proceed diligently as directed by Buyer with the performance of this Purchase Order. Irrespective of the place of performance, this Purchase Order shall be governed and construed in accordance with the laws of the State within the United States from which this Purchase Order is issued by Buyer, without regard to its conflicts of laws provisions, except that any provision in this Purchase Order that is: (i) incorporated in full text or by reference from the Federal Acquisition Regulation (FAR) or; (ii) incorporated in full text or by reference from any agency regulation that implements or supplements the FAR or; (iii) that is substantially based on any such agency regulation or FAR provision, shall be construed and interpreted according to the federal common law of government contracts as enunciated and applied by federal judicial bodies, boards of contracts appeals, and quasi-judicial agencies of the United States Government. The provisions of the "United Nations Convention on Contracts for International Sale of Goods" shall not apply to this Purchase Order, including any amendments or changes to this Purchase Order.

8. Remedies

- (a) Except as otherwise provided herein, the rights and remedies of both Parties hereunder shall be in addition to their rights and remedies at law or in equity. Failure of either Party to enforce any of its rights shall not constitute a waiver of such rights or of any other rights and shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.
- (b) Buyer shall be entitled at all times to set off any amount owing at any time from Seller or any of its affiliated companies to Buyer, against any amount payable at any time by Buyer or any of its affiliated companies to Seller.

9. Proprietary Rights

- (a) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Paragraph 9(d) below, all specifications, information, data, drawings, software and other items supplied to Buyer by Seller shall be disclosed to Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction.
- (b) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Paragraph 9(d) below, all specifications, information, data, drawings, software and other items which are (i) supplied to Seller by Buyer or (ii) obtained or developed by Seller in the performance of this Purchase Order or paid for by Buyer shall be proprietary to Buyer, shall be used only for purposes of providing goods or services to Buyer pursuant to this Purchase Order, and shall not be disclosed to any third party

without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in performance of this Purchase Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Purchase Order.

- (c) Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Paragraph 9(d) below, any invention or intellectual property first made or conceived by Seller in the performance of this Purchase Order or which is derived from or based on the use of information supplied by Buyer shall be considered to be the property of Buyer; and Seller shall execute such documents necessary to perfect Buyer's title thereto. Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order and subject to Paragraph 9(d) below, any work performed pursuant to this Purchase Order which includes any copyright interest shall be considered a "work made for hire". Subject to Paragraph 9(d) below, to the extent any of such works do not qualify as a "work made for hire", Seller hereby assigns to Buyer all its intellectual property rights, including its copyright rights, in such works effective immediately upon creation of such works, including when they are first fixed in a tangible medium.
- (d) Applicable U.S. Government Procurement Regulations incorporated into this Purchase Order shall, when applicable, take precedence over any conflicting provision of this Section 9 to the extent that such Regulations so require. The incorporation by reference of such U.S. Government Regulations dealing with subcontractors rights in Technical Data, subject inventions, copyrights, software and similar intellectual property are not intended to, and shall not, unless otherwise required by applicable law, obviate or modify any greater rights which Seller may have previously granted to Buyer pursuant to prior agreements between the Parties.

10. Buyer's Property

- (a) All drawings, tools, jigs, dies, fixtures, materials, and other property supplied or paid for by Buyer shall be and remain the property of Buyer; and if Seller fails to return such property upon Buyer's demand, Buyer shall have the right, upon reasonable notice, to enter Seller's premises and remove any such property at any time without being liable for trespass or damages of any sort.
- (b) All such items shall be used only in the performance of work under this Purchase Order unless Buyer consents otherwise in writing.
- (c) Goods made in accordance with Buyer's specifications and drawings shall not be furnished or quoted by Seller to any other person or concern without Buyer's prior written consent.
- (d) Seller shall have the obligation to maintain any and all property furnished by Buyer to Seller and all property to which Buyer acquires an interest by this Purchase Order and shall be responsible for all loss or damage to said property except for normal wear and tear.
- (e) Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss or damage.
- (f) Seller shall clearly mark, maintain in inventory, and keep segregated or identifiable all of Buyer's property.

11. Release of Information

Seller shall not publish, distribute, or use any information developed under or about the existence of this Purchase Order, or use the Raytheon Company name (or the name of any division, affiliate or subsidiary thereof), logo, trademark, service mark, or trade dress for the purpose of advertising, making a news release, creating a business reference, creating a website content or for goods or service endorsement without prior written approval of Buyer.

12. Order of Precedence

- (a) In the event of any inconsistency or conflict between or among the provisions of this Purchase Order, such inconsistency or conflict shall, subject to Section 9(d) above, be resolved by the following descending order of preference: 1. Order-specific provisions provided in full text on the Purchase Order; 2. Documents incorporated by reference on the Purchase Order which apply to the Purchase Order as a whole and not to a specific line item therein; 3. These General Terms and Conditions of Purchase and Supplements thereto; 4. Statement of Work; and 5. Specifications attached hereto or incorporated by reference (see Paragraph 12(b) below).
- (b) Buyer's specifications, including but not limited to Raytheon Quality Notes (see <http://qnotes.raytheon.com/>), shall prevail over those of the United States Government, and both of the foregoing shall prevail over specifications of Seller. In the event of conflict between specifications, drawings, samples, designated type, part number, or catalog description, the specifications shall govern over drawings, drawings over samples, whether or not approved by Buyer, and samples over designated type, part number, or catalog description. In cases of ambiguity in the specifications, drawings, or other requirements of this Purchase Order, Seller must, before proceeding, consult Buyer, whose written interpretation shall be final.

13. Warranty

- (a) Seller warrants the goods delivered pursuant to this Purchase Order, unless specifically stated otherwise in this Purchase Order, shall (i) be new (ii) be free from defects in workmanship, materials, and design and (iii) be in accordance with all the requirements of this Purchase Order. Seller further warrants that the performance of work and services shall conform with the requirements of this Purchase Order and to high professional standards. All warranties in this Purchase Order shall survive inspection, test, final acceptance and payment of goods and services.
- (b) Unless Buyer expressly identifies the goods that are procured under this Purchase Order as non-technical and for Buyer's internal use only, Seller warrants without limitation as to time that the goods delivered pursuant to this Purchase Order shall (i) be and only contain materials obtained directly from the Original Component Manufacturer (OCM) or the Original Equipment Manufacturer (OEM) (collectively, the Original Manufacturer (OM)) or an authorized OM reseller or distributor (collectively, an Authorized Distributor); (ii) not be or contain Counterfeit Items or Suspect Counterfeit Items, as defined below; and (iii) contain only authentic, unaltered OM labels and other markings. Seller shall obtain and retain all documentation required to fully trace the distribution and sale of the goods delivered hereunder back to the relevant OM, and, on request of Buyer, shall provide such authenticating documentation. Counterfeit Item means an unlawful or unauthorized reproduction, substitution, alteration, or the false identification of grade, serial number, lot number, date code, or performance characteristic, that has been knowingly mismarked, misidentified, or otherwise misrepresented to be an authentic, unmodified item from the OM, an Authorized Distributor, or an Aftermarket Manufacturer as defined in SAE AS5553 "Counterfeit Electronic Parts; Avoidance, Detection, Mitigation, and Disposition" (Authorized Aftermarket Manufacturer). A Suspect Counterfeit Item means an item for which credible evidence (including, but not limited to, visual inspection or testing) provides reasonable doubt that the item is authentic. Seller warrants that it will not act as or engage an independent distributor, non-authorized distributor, non-franchised distributor, non-authorized supplier, or non-authorized reseller (collectively, Broker), to assist it in delivering goods pursuant to this Purchase Order unless the Buyer provides prior written approval to do so. Any Seller request to procure from a Broker shall include complete and compelling support for such request and shall include all actions completed by Seller to ensure the goods thus procured are not Counterfeit Items. Seller's supporting documentation shall include: (i) results of authentication test and analysis conducted (reference SAE AS5553), (ii) traceability with identification of all supply chain intermediaries wherever such traceability exists, and (iii) identification of and traceability to the source for any remarked or resurfaced material. Seller shall

include the substance of this Section 13 (b) in any agreement between Seller and Seller's lower tier subcontractors, including in any agreement between Seller and Seller's Broker, and Seller shall cause Seller's lower tier subcontractors and Seller's Broker to include the substance of this Section 13 (b) in all agreements with any of their lower tier subcontractors.

- (c) Unless Buyer expressly identifies the goods that are procured under this Purchase Order as non-technical and for Buyer's internal use only, Seller, as OM, Authorized Distributor, Authorized Aftermarket Manufacturer, or Broker approved by Buyer, further warrants that it has and shall maintain a Counterfeit Item risk mitigation process, internally and with its suppliers, (reference SAE AS5553), for goods delivered hereunder, and in accordance with the standards or instructions set forth in any Buyer's specifications and other required provisions and specifications incorporated into this Purchase Order. Buyer shall have the right to audit, inspect, and / or approve the processes at any time before or after delivery of the goods ordered hereunder. Seller shall provide evidence of the Seller's risk mitigation process to Buyer upon request. Buyer shall have the right to require changes to the processes to conform with Buyer's defined standards, if any. Seller and Seller's lower-tier subcontractors that are allowed access to the US Government Industry Data Exchange Program (GIDEP) shall participate in monitoring GIDEP reports and Seller shall act on GIDEP reports that affect product delivered to Buyer. Seller shall immediately notify Buyer with the pertinent facts if Seller becomes aware of or suspects that items delivered for the Purchase Order are, or contain, suspect or confirmed counterfeit items. Failure of the Seller or any of its lower-tier subcontractors to conform its processes with Buyer's defined standards may result in the termination of this Purchase Order in accordance with the termination provisions set forth herein. If, during Buyer's inspection procedures, a good delivered hereunder is discovered to be a Counterfeit Item or Suspect Counterfeit Item, Buyer shall have the right to quarantine the good for further investigation of its authenticity. Buyer's investigation may include the participation of third parties or governmental investigative agencies as required by law or regulations by Buyer's customer, or by Buyer, in its sole discretion. The Seller and/or the Seller's lower-tier subcontractors shall cooperate in good faith with any investigation conducted by Buyer, including, but not limited to, cooperation by Seller's or Seller's lower-tier subcontractor's staffs responsible for the maintenance and disclosure of all design, development, manufacturing, and traceability records with respect to the good in possession of Seller or Seller's lower-tier subcontractor. Upon Buyer's request, Seller shall provide Buyer certificates of conformance with respect to the goods delivered. Buyer shall not be required to return the good to the Seller during the investigation process or thereafter. Buyer shall not be liable for payment to Seller of the price of any Suspect Counterfeit Items under investigation. When so authorized by Buyer, Seller shall be responsible for counterfeit risk mitigation testing and providing traceability identifiers (i.e. Date Code / Lot Code, Serial number) for Broker procured parts, and identifying items delivered to Buyer that contain such parts. If Buyer determines in its sole discretion that there is credible evidence after visual inspection, testing, or other information that a good delivered under this Purchase Order may have been misrepresented by the Seller or Seller's lower-tier subcontractor and constitutes a Counterfeit Item or Suspect Counterfeit Item, Seller, or its lower-tier subcontractor, shall, if directed by Buyer to do so, issue a GIDEP alert and shall ensure suspect or confirmed Counterfeit Items are not delivered to Buyer. Buyer reserves its right hereunder, to issue its own GIDEP alert if, after investigation, Buyer concludes, in its sole estimation, that a good is a Counterfeit Item or Suspect Counterfeit Item. Seller shall include the substance of this Section 13 (c) in any agreement between Seller and Seller's lower tier subcontractors, including in any agreement between Seller and Seller's Broker, and Seller shall cause Seller's lower tier subcontractors and Seller's Broker to include the substance of this Section 13 (c) in all agreements with any of their lower tier subcontractors.
- (d) Seller warrants without limitation as to time that any hardware, software and firmware goods delivered under this Purchase Order: (i) shall not contain any viruses, malicious code, Trojan horse, worm, time bomb, self-help code, back door, or other software code or routine designed to: (a) damage, destroy or alter any software or hardware; (b) reveal, damage, destroy, or alter any data;

- (c) disable any computer program automatically; or (d) permit unauthorized access to any software or hardware; (ii) shall not contain any third party software (including software that may be considered free software or open source software) that (a) may require any software to be published, accessed or otherwise made available without the consent of Buyer, or (b) may require distribution, copying or modification of any software free of charge; and (iii) shall not infringe any patent, copyright, trademark, or other proprietary right of any third party or misappropriate any trade secret of any third party.
- (e) These warranty entitlements shall inure to the benefit of both Buyer and Buyer's customers. As used in this Purchase Order, Buyer's customer(s) shall include its direct and indirect customers such as direct sale end-users, higher-tier subcontractors, prime contractors and the ultimate user under relevant prime contract(s).
- (f) Seller shall be liable for and save Buyer harmless from any loss, damage, or expense whatsoever that Buyer may suffer from breach of any of these warranties. Remedies shall be at Buyer's election, including, but not limited to, the prompt repair, replacement or reimbursement of the purchase price of nonconforming goods and, in the case of services either the prompt correction of the defective services at no cost or reimbursement of the amounts paid for such services. Return to Seller of defective or nonconforming goods and redelivery to Buyer of repaired or replaced goods shall be at Seller's expense. Goods or services required to be corrected, repaired or replaced shall be subject to this Section and the Inspection Section of this Purchase Order in the same manner and to the same extent as goods or services originally delivered under this Purchase Order, but only as to the repaired or replaced goods or parts thereof or the corrected service thereof. Seller shall promptly comply with Buyer's direction to (i) repair, rework or replace the goods, (ii) furnish any material or parts and installation required to successfully correct the defect or nonconformance or (iii) successfully correct the defective or nonconforming service.

14. Inspection

- (a) All goods and services shall be subject to inspection and test at all reasonable times and places by Buyer or Buyer's customer before, during and after performance and delivery. Buyer may require Seller to repair, replace or reimburse the purchase price of rejected goods or Buyer may accept any goods and upon discovery of nonconformance, may reject or keep and rework any such goods not so conforming. Cost of repair, rework, replacement, inspection, transportation, repackaging, and/or reinspection by Buyer shall be at Seller's expense. Buyer's acceptance of goods or services shall not be deemed to diminish Buyer's rights or be final or binding on Buyer if latent defects, fraud, or misrepresentation on the part of Seller exists.
- (b) If inspection and test are made on the premises of Seller or Seller's lower-tier subcontractors, Seller shall furnish without additional charge all reasonable facilities, information and assistance necessary for the safe and convenient inspection and tests required by the inspectors in the performance of their duty. The foregoing provisions of this Section are supplementary to and not in lieu of the provisions of Paragraph 14 (a) above.
- (c) Neither Buyer's inspection nor Buyer's failure to inspect shall relieve Seller of any responsibility to perform according to the terms of this Purchase Order. Notwithstanding any other provision of the Purchase Order, the risk of loss of, or damage to, nonconforming goods remains with Seller until cure or acceptance.

15. Changes

- (a) Buyer shall have the right by written notice to suspend or stop work or to make changes from time to time in the services to be rendered or the goods to be furnished by Seller hereunder or the delivery schedule. If such suspension, stoppage or changes cause an increase or decrease in the cost of performance of this Purchase Order or in the time required for its performance, an equitable

adjustment shall be negotiated promptly and the Purchase Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this Paragraph 15(a) must be asserted in writing within twenty (20) days from the date of receipt by Seller of notification of the change or suspension and shall be followed as soon as practicable with specification of the amount claimed and supporting cost figures. However, nothing herein shall excuse Seller from proceeding with this Purchase Order as changed pending resolution of the claim.

- (b) Information, advice, approvals or instructions given by Buyer's technical personnel or other representatives shall be deemed expressions of personal opinion only and shall not affect Buyer's and Seller's rights and obligations hereunder unless set forth in a writing which is signed by Buyer's Purchasing Representative and which states it constitutes an amendment or change to this Purchase Order.

16. Infringement

Seller warrants that all goods and services (for purposes of this Section 16 hereinafter "items"), provided by Seller pursuant to this Purchase Order, which are not of Buyer's design, shall be free from claims of infringement (including misappropriation) of third party intellectual property rights and that any use or sale of such items by Buyer or any of Buyer's customers shall be free from any claims of infringement. Seller shall indemnify and save Buyer, and its customers harmless from any and all expenses, liability, and loss of any kind (including all costs and expenses including attorneys' fees) arising out of claims, suits, or actions alleging such infringement, which claims, suits, or actions Seller, hereby, agrees to defend, at Seller's expense, if requested to do so by Buyer. Seller may replace or modify infringing items with comparable items acceptable to Buyer of substantially the same form, fit, and function so as to remove the source of infringement, and Seller's obligations under this Purchase Order including those contained in Section 13 and in this Section 16 shall apply to the replacement and modified items. If the use or sale of any of the above items is enjoined as a result of such claim, suit or action, Seller, at no expense to Buyer, shall obtain for Buyer and its customers the right to use and sell said item.

17. Taxes and Drawback

- (a) Unless this Purchase Order specifies otherwise, the price of this Purchase Order includes, and Seller is liable for and shall pay, all taxes, impositions, charges, customs duties or tariffs and exactions imposed on or measured by this Purchase Order except for applicable sales and use taxes that are separately stated on Seller's invoice. Prices shall not include any taxes, impositions, charges or exactions for which Buyer has furnished a valid exemption certificate or other evidence of exemption. To the extent that Buyer is required to do so under applicable law or tax regulations, Buyer may deduct from any payments due to Seller pursuant to this Purchase Order such taxes as Buyer is required to withhold from such payments and pay such taxes to the relevant tax authorities; provided, however, that Buyer provides Seller with relevant tax receipts or other suitable documentation evidencing the payment of such taxes promptly after such taxes are paid.
- (b) Should any drawback or any other program for the refund, credit or rebate of any import/export duty, tax or fee applicable to the scope of the Purchase Order exist and be of benefit to Buyer in Buyer's judgment, then Seller acknowledges that any such drawback, refund, credit or rebate amounts shall inure solely to Buyer's benefit and that the amounts or rights thereto shall be assigned by the Seller to the Buyer. Moreover, Seller shall cooperate with Buyer's efforts to realize any such available amounts, including counter-trade or offset credit value, which may result from the Purchase Order.

18. Assignments, Subcontracting, Organizational Changes, and Place of Manufacture

- (a) Seller may not assign any rights, delegate any of its obligations due or to become due under this Purchase Order, or subcontract all or substantially all of its obligations under this Purchase Order,

without the prior written consent of Buyer. Any purported assignment, delegation, or subcontracting by Seller without such consent shall be void. Buyer may assign this Purchase Order to (i) any affiliated company, (ii) any successor in interest, or (iii) Buyer's customer.

- (b) Seller shall promptly notify Buyer in writing of any organizational changes made by Seller, including name or ownership changes, mergers or acquisitions.
- (c) Seller shall not change the location of manufacture of the goods to be provided to Buyer under this Purchase Order without Buyer's prior written consent.

19. Compliance with Law

- (a) Seller warrants that the goods to be furnished and the services to be rendered under this Purchase Order shall be manufactured, sold, used and rendered in compliance with all relevant federal, state, local law, orders, rules, ordinances, and regulations, including but not limited to all U.S. laws and regulations and the laws and regulations of Seller's place of performance, and in compliance with applicable international prohibitions on child labor. Seller certifies that with respect to the production of the goods and/or the performance of the services covered by this Purchase Order, it has fully complied with Sections 6, 7, 12, and 15 of the Fair Labor Standards Act of 1938, as amended, and of regulations and orders of the United States Department of Labor under Section 14 thereof, if applicable.
- (b) Seller acknowledges that its actions may subject it and Buyer to liability under the United States Foreign Corrupt Practices Act, 15 U.S.C. § 78 et seq. (the "FCPA"), the UK Bribery Act 2010, the anti-corruption laws, regulations, and policies of the home country of any supplier to this Purchase Order, the United States of America, and/or the anti-corruption laws, regulations, and policies of any other country with jurisdiction over the activities performed pursuant to this Purchase Order (together and individually hereinafter referred to as the "Anti-Corruption Requirements").
- (c) Seller represents and warrants to, and covenants and agrees with, Buyer that:
 - 1. Seller is familiar with the prohibitions under the Anti-Corruption Requirements, and, in particular, it is familiar with the requirements described in clause 19(c)(3).
 - 2. No compensation payable hereunder has been used, nor will be used, for any activity or purpose where a reasonable belief exists that the Anti-Corruption Requirements would be violated or that Seller or Buyer would be exposed to liability under the Anti-Corruption Requirements.
 - 3. In connection with its performance of this Purchase Order, Seller has not, and has not either agreed to or directly or indirectly, offered, paid, given, promised to pay or give, or authorized the payment or giving of any money, gift, loan, fee, reward, advantage or anything of value, and will not either agree to or directly or indirectly, offer, pay, give, promise to pay or give, or authorize the payment or giving of any money, gift, loan, fee, reward, advantage, or anything of value to:
 - (i) (A) any officer or employee of a foreign government or any department or agency thereof, whether at the national, regional, or local level, (B) any officer or employee of any entity, enterprise or organization that is owned or controlled by a foreign government or any department or agency thereof; (C) any officer or employee of a public international organization, (D) any person acting in an official capacity for or on behalf of any such government or department, agency, entity, enterprise, or organization, or (E) any member of a political party or candidate for public office in a foreign country (together and individually hereinafter referred to as "Government Official");
 - (ii) any customer, or any officer, director, employee of a customer, or any shareholder or beneficial owner of shares in a customer or any affiliate of a customer or any person who has or exercises control over the customer or any affiliate of the customer (together and

individually hereinafter referred to as "Customer Personnel").

- (iii) any person while knowing or having reason to know that all or a portion of such money, gift, loan, fee, reward, advantage, or thing of value will be offered, paid, given or promised, directly or indirectly, to any Government Official or Customer Personnel ("Restricted Person"); or
 - (iv) any relative, close associate, agent or representative of a Government Official, Customer Personnel, or Restricted Person, for the purpose of: (A) influencing or attempting to influence any act or decision of any Government Official, Customer Personnel, or Restricted Person acting in an official capacity, or influencing or attempting to influence any Government Official, Customer Personnel, or Restricted Person to do or omit to do any act in violation of his, her or its lawful duty, obligation or responsibility; (B) inducing or attempting to induce a Government Official, Customer Personnel or Restricted Person to use his, her, or its influence to affect or influence any act or decision of a customer, a foreign government, a foreign agency, a public international organization or department thereof, or any entity, enterprise or organization controlled by a foreign government, a foreign agency or a public international organization (C) rewarding a Government Official, Customer Personnel, or Restricted Person for doing or forbearing to do anything in respect of any matter or transaction; or (D) assisting Seller or Buyer in obtaining or retaining business, improving profitability or revenues of Buyer or Seller, or receiving any improper advantage by securing business, or directing business for, with, or to any person.
4. None of Seller's principals, consultants, subcontractors, officers, directors, shareholders, employees or agents is a Government Official, Customer Personnel, or Restricted Person unless approved by Buyer. Neither Seller nor any of its principals, consultants, subcontractors, shareholders, directors, officers, employees or agents has performed or will perform any act which Buyer could reasonably believe would constitute a violation of the Anti-Corruption Requirements or which Buyer could reasonably believe would cause Buyer to be in violation of the Anti-Corruption Requirements, or present a credible risk, as determined by Buyer, of a violation of the Anti-Corruption Requirements.
 5. If at any time Seller becomes aware of information or circumstances that suggest any of the representations, warranties, and covenants referenced in this Section 19 may not be accurate, it shall notify Buyer immediately in writing, but not more than seven (7) days after becoming aware of such circumstances.
