

**FOREIGN OFFEROR REGISTRATION
DATA FORM**

CRINT-003 (03/19)

Offeror: Raytheon must gather and maintain certain registration data from all Foreign Offerors. This form gathers information to set up a vendor. It must be renewed every three years.

Internal Raytheon: Forward completed form to the Supplier Master Data team at:
suppliermasterdata@raytheon.com.

*This form should **not** be used for any suppliers who want to provide Raytheon with goods or services in support of a US Government contract (including company funding in anticipation of a US Government contract). Such suppliers **must** complete CR-003. This form is suitable for foreign suppliers in support of foreign customers on commercial contracts, as well as in support of Raytheon International offices, but **only** for those who want to provide Raytheon with commercial-off-the-shelf (COTS) items.*

U.S. suppliers and all other foreign suppliers should fill out CR-003.

Section 4: Privacy Notice

The information, including Personal Information ("PI") you provide in this Registration will be used and processed by Raytheon for two purposes. First, the information will help us with establishing a supplier record within Raytheon's database. Second, the information you provide will help us to achieve compliance with export-import requirements, including restricted party screening, under the laws of the United States and other jurisdictions.

The information, including PI, obtained in connection with this Registration may be transmitted to Raytheon employees or agents, compliance service providers, Raytheon's legal counsel and/or regulatory or other authorities in the United States or other countries outside your country of residence/study, whose laws protecting personal information may not be equivalent to those in your own country. Raytheon will store this information as long as necessary in connection with these purposes in accordance with Raytheon's policies and procedures.

Depending upon jurisdiction, you may have the right to access or, where incorrect, amend or delete, PI that Raytheon maintains and processes. Completion of this Registration is voluntary; however, failure to complete this Registration may preclude your doing business with Raytheon. If you have questions about any of the above, please contact the Raytheon Privacy Office at privacy@raytheon.com.

Section 5: Authorized Signature of Offeror and Certification

By submitting this information, I am attesting to the accuracy of the information contained herein. I understand that I may be subject to penalties imposed by the United States Government if I misrepresent information provided above. **Offeror** further acknowledges that Raytheon shall rely on the information provided by **Offeror** herein and that if any of **Offeror's** representations herein change during the period of performance, **Offeror** shall provide immediate written notice to the Raytheon representative to whom this document was originally provided.
