

**1. Acceptance of Purchase Order**

Agreement by Seller to furnish the materials, parts, and products (“goods”) or services, including the products resulting from such services, or its commencement of such performance, or acceptance of any payment, shall constitute Seller’s unqualified acceptance of this Purchase Order. Any prices or delivery schedule to which Buyer has not specifically agreed to in writing, or any other terms or conditions proposed by Seller inconsistent with or in addition to the terms and conditions herein, shall be void. Modifications or additions to these Purchase Order terms and conditions must be in writing and signed by Buyer’s Purchasing Representative. These terms and conditions, together with all supplements, documents, exhibits, attachments, and any other agreements incorporated by reference into this Purchase Order, constitute the entire agreement between Buyer and Seller (collectively “the Parties” and singularly a “Party”) with respect to the subject matter of this Purchase Order, and supersede any prior or contemporaneous written or oral agreements pertaining thereto.

**2. Shipping Instructions; Risk of Loss**

- (a) Seller shall be responsible for ensuring the proper packaging of goods hereunder. Seller shall not charge for packing, crating, freight, local cartage, and/or any other services unless so specified in this Purchase Order.
- (b) Unless otherwise directed by Buyer in writing, Seller shall consolidate shipments on one bill of lading or air waybill when shipping goods on the same day from and to a single location. Seller shall submit all required shipping papers to Buyer prior to final payment. Title to goods furnished under this Purchase Order shall pass to Buyer upon formal acceptance, regardless when or where Buyer takes physical possession, unless the Purchase Order specifically provides for earlier passage of title.
- (c) When Buyer purchases F.O.B. Origin (“F.O.B. the place of shipment”, as defined in the Uniform Commercial Code Section 2-319), Seller shall bear the expense of and risk of loss of, or damage to, the goods until Seller delivers the goods to the carrier that Buyer designates. Seller shall not insure or declare a value except when transportation rates are based on “released value,” in which instance Seller shall annotate on the bill of lading the lowest released value provided in applicable tariffs.
- (d) For goods purchased F.O.B. Destination (as “F.O.B. the place of destination” is described in the Uniform Commercial Code Section 2-319) Seller shall bear the expense of transport of, and risk of loss or damage to, the goods to the named place.
- (e) Purchase Order number(s) and the relevant line item number(s) must appear on all correspondence, shipping labels, and shipping documents, including all packing sheets, bills of lading, air waybills, and invoices.

**3. Delivery; Notice of Delay; Obsolescence**

- (a) On time performance is a material condition of this Purchase Order and failure to perform according to the delivery schedule in this Purchase Order, if unexcused, shall be considered a material breach. Acceptance of late deliveries shall not constitute waiver of this provision. Buyer may refuse or return, at Seller’s risk and expense, shipments made in excess of this Purchase Order or in advance of required schedules. Buyer may defer payment on advance deliveries until scheduled delivery dates.
- (b) Seller shall notify Buyer in writing immediately of any actual or potential delay to the performance of this Purchase Order. Such notice shall include a proposed revised schedule, but such notice and proposal or Buyer’s receipt or acceptance thereof, shall not constitute a waiver of Buyer’s rights and remedies hereunder.

- (c) During performance of this Purchase Order, Seller shall notify Buyer of any planned obsolescence of the goods set out in this Purchase Order.

#### **4. Termination for Convenience**

- (a) Buyer, by written notice, may terminate this Purchase Order for convenience and without cause, in whole or in part, at any time, and such termination shall not constitute default. In the event of partial termination, Seller shall perform the non-terminated balance of work under the Purchase Order.
- (b) If Buyer terminates for convenience, Seller shall be reimbursed for actual, reasonable, substantiated, and allocable costs, plus a reasonable profit for work performed to date of termination provided Seller submits its termination settlement proposal to Buyer promptly, but no later than ninety (90) days from the effective date of the termination. In no event shall the amount of any settlement be in excess of the Purchase Order value. Buyer may take immediate possession of all goods, complete or incomplete, and all products resulting from services upon written notice of termination to Seller.

#### **5. Termination for Default**

- (a) Buyer may, after providing Seller with ten (10) calendar days written notice, and upon Seller's failure to cure such default in that ten (10) day period ("Cure Period"), terminate this Purchase Order in whole or in part at any time by notice in writing for (i) breach of any one or more of its terms, (ii) failure to deliver goods or services within the time specified by this Purchase Order or any written extension, (iii) failure to make progress so as to endanger performance of this Purchase Order, or (iv) failure to provide adequate assurance of future performance; provided, however, there shall be no Cure Period for default related to failure to meet the delivery schedule or for defaults incapable of cure.
- (b) To the extent allowed by law, Buyer may also terminate this Purchase Order in whole or in part without a Cure Period in the event of Seller's suspension of business, insolvency, bankruptcy, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors (collectively hereinafter "Insolvency"). Seller agrees to provide detailed written notice to Buyer within five (5) days of initiating such Insolvency proceedings. In the event of partial termination, Seller shall perform the non-terminated balance of work under the Purchase Order.
- (c) If this Purchase Order is terminated for default, Buyer may by written notice require Seller to transfer title and deliver to Buyer all items ordered and specifically paid for hereunder.

#### **6. Force Majeure**

Except for a default of Seller's subcontractor at any tier, neither Buyer nor Seller shall be liable for any failure to perform due to any cause beyond their reasonable control and without their fault or negligence, including acts of God or of the public enemy, acts of the government in its sovereign or contractual capacity (including acts of government related to economic sanctions and embargoes), fires, floods, epidemics, terrorism, quarantine restrictions, strikes, freight embargoes, and unusually severe weather. In the event that causes of the type described above ("Force Majeure") adversely affect performance of this Purchase Order, the Party whose performance is so affected shall so notify the other Party's authorized representative in writing. Buyer may reasonably adjust the delivery schedule due to the existence of a Force Majeure.

#### **7. Disputes and Governing Law**

- (a) Either Party may submit a dispute to a court of competent jurisdiction provided that the Parties' senior management representatives have first attempted in good faith to negotiate a resolution for a period of no less than ten (10) business days following written notice from the Party claiming dispute. To the extent permitted by applicable law, the Parties waive any right they may have to a

trial by jury. Either Party may seek injunctive or other equitable relief in any court of competent jurisdiction at any time.

- (b) Pending resolution or settlement of any dispute arising under this Purchase Order, Seller will proceed diligently as directed by Buyer with the performance of this Purchase Order. Irrespective of the place of performance, this Purchase Order shall be governed and construed in accordance with the laws of the State within the United States from which Buyer issues this Purchase Order, without regard to its conflicts of laws provisions. The provisions of the "United Nations Convention on Contracts for International Sale of Goods" shall not apply to this Purchase Order.

## **8. Remedies**

- (a) Buyer may exercise all rights and remedies at law and in equity, including those set forth in Article 2 of the Uniform Commercial Code for both goods and services ordered hereunder. Failure of either Party to enforce any of its rights shall not constitute a waiver of such rights or of any other rights and shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect.
- (b) Buyer shall be entitled at all times to set off any amount owing at any time from Seller to Buyer, against any amount payable at any time by Buyer to Seller.

## **9. Proprietary Rights**

- (a) Unless otherwise expressly set forth in this Purchase Order, all specifications, information, data, drawings, software and other items supplied to Buyer by Seller shall be disclosed to Buyer on a non-proprietary basis and may be used and/or disclosed by Buyer without restriction.
- (b) All specifications, information, data, drawings, software and other items which are (i) supplied to Seller by Buyer or (ii) obtained or developed by Seller in the performance of this Purchase Order or paid for by Buyer shall be proprietary to Buyer, shall be used only for purposes of providing goods or services to Buyer pursuant to this Purchase Order, and shall not be disclosed to any third party without Buyer's express written consent. All such items supplied by Buyer or obtained by Seller in performance of this Purchase Order or paid for by Buyer shall be promptly provided to Buyer on request or upon completion of this Purchase Order.
- (c) Any invention or intellectual property first made or conceived by Seller in the performance of this Purchase Order or which is derived from or based on the use of information supplied by Buyer (collectively, the "Foreground IP") shall be considered to be the property of Buyer. Seller hereby assigns its rights in the Foreground IP to Buyer and shall execute such documents necessary to perfect Buyer's title thereto. Unless otherwise expressly agreed in a contemporaneous or subsequent writing to the contrary or otherwise expressly set forth in this Purchase Order, any work performed pursuant to this Purchase Order which includes any copyright interest shall be considered a "work made for hire". To the extent any of such works do not qualify as a "work made for hire", Seller hereby assigns to Buyer all its intellectual property rights, including its copyright rights, in such works effective immediately upon creation of such works, including when they are first fixed in a tangible medium.

## **10. Buyer's Property**

- (a) All drawings, tools, jigs, dies, fixtures, materials, and other property supplied or paid for by Buyer shall be and remain the property of Buyer ("Buyer's Property" as used in this Section 10), which shall be returned to Buyer upon Buyer's request.
- (b) Seller shall use Buyer's Property only in the performance of work under this Purchase Order unless Buyer consents otherwise in writing.

- (c) Seller shall not furnish or offer for sale goods made in accordance with Buyer's specifications and / or drawings to another party without Buyer's prior written consent.
- (d) Seller shall maintain Buyer's Property and shall be responsible for all loss or damage to Buyer's Property except for normal wear and tear. Seller shall (i) within two (2) working days, report to Buyer the loss, theft, damage, destruction of Buyer's Property, or if any such property is found to be malfunctioning or otherwise unsuitable for use and (ii) determine and report the root cause and all pertinent facts as soon as they become known, and corrective action taken to prevent recurrence, at no additional cost to Buyer.
- (e) Upon request, Seller shall provide Buyer with adequate proof of insurance against such risk of loss or damage.
- (f) Seller shall clearly mark, maintain in inventory, and keep segregated or identifiable all of Buyer's Property.

### **11. Release of Information**

Without prior written approval of Buyer, Seller shall not (i) publish, distribute, use, or otherwise disclose this Purchase Order, or the existence of this Purchase Order, to any third party for any purposes not required by the express terms of the Purchase Order, or (ii) use the Raytheon Company name (or the name of any division, affiliate or subsidiary thereof), logo, trademark, service mark, or trade dress for the purpose of advertising, making a news release, creating a business reference, creating website content, or for goods or service endorsement.

### **12. Order of Precedence**

Buyer deems the requirements and provisions of this Purchase Order as consistent. Seller shall promptly request Buyer's written determination to resolve any inconsistency, ambiguity, or conflict among the requirements and provisions. The following order of precedence shall apply: (1) order-specific text on the Purchase Order, which includes specifications incorporated by reference such as drawings and Raytheon Quality Notes (see <http://qnotes.raytheon.com/>); (2) documents incorporated by reference on the Purchase Order and not otherwise referenced in this Section 12 (e.g., prime contract flow-through documents); (3) these Commercial Terms and Conditions of Purchase (TC-001C); (4) Proprietary Information Agreement or Non-Disclosure Agreement, if applicable; (5) the Statement of Work; and (6) Seller specifications, which include Seller drawings, Seller samples, and Seller catalog descriptions. For the avoidance of doubt, all Seller goods delivered hereunder must conform to Buyer's specifications set out in this Purchase Order.

### **13. Warranty**

- (a) Seller warrants that the goods shall be (i) new (ii) free from defects in workmanship, materials, and design and (iii) in accordance with all the requirements of this Purchase Order. Seller further warrants that the performance of services shall conform with the requirements of this Purchase Order and to high professional standards.
- (b) Seller warrants without limitation as to time that any hardware, software and firmware goods delivered under this Purchase Order: (i) shall not contain any viruses, malicious code, Trojan horse, worm, time bomb, self-help code, back door, or other software code or routine designed to: (a) damage, destroy or alter any software or hardware; (b) reveal, damage, destroy, or alter any data; (c) disable any computer program automatically; or (d) permit unauthorized access to any software or hardware; (ii) shall not contain any third party software (including software that may be considered free software or open source software) that (a) may require any software to be published, accessed or otherwise made available without the consent of Buyer, or (b) may require distribution, copying or modification of any software free of charge; and (iii) shall not infringe any patent, copyright, trademark, or other proprietary right of any third party or misappropriate any trade secret of any third party.

- (c) These warranty entitlements shall inure to the benefit of both Buyer and Buyer's customers.

Seller shall be liable for and save Buyer harmless from any loss, damage, or expense that Buyer may suffer related to nonconforming goods or services, or from any other breach of the warranties in this Section 13, including, but not limited to, return to Seller of defective or nonconforming goods and redelivery to Buyer of repaired, replaced, or corrected goods.

#### **14. Inspection**

- (a) All goods and services shall be subject to inspection and test at all reasonable times and places by Buyer or Buyer's customer before, during, and after performance and delivery. Buyer may require Seller to repair, replace or reimburse the purchase price of rejected goods or Buyer may accept any goods and upon discovery of nonconformance, may reject or keep and rework any such goods not so conforming. Cost of repair, rework, replacement, inspection, transportation, repackaging, and/or reinspection by Buyer shall be at Seller's expense. Buyer's acceptance of goods or services shall not diminish Buyer's rights or be final or binding on Buyer if latent defects, fraud, or misrepresentation on the part of Seller exists.
- (b) Seller will provide reasonable support and access to Buyer in the inspection and test of the goods and services without additional charge.
- (c) Neither Buyer's inspection nor Buyer's failure to inspect shall relieve Seller of any responsibility to perform according to the terms of this Purchase Order. Notwithstanding any other provision of the Purchase Order, the risk of loss of, or damage to, nonconforming goods remains with Seller until cure or acceptance.

#### **15. Changes**

Buyer shall have the right by written notice to suspend or stop work or to make changes from time to time in the services or the goods to be furnished by Seller or to the delivery schedule. If such suspension, stoppage, or changes cause an increase or decrease in the cost of performance of this Purchase Order or in the time required for its performance, an equitable adjustment shall be negotiated promptly and the Purchase Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this Paragraph 15 must be asserted in writing within twenty (20) days from the date of receipt by Seller of notification of the change or suspension and shall be followed as soon as practicable with specification of the amount claimed and supporting cost figures. Failure to agree to any such change shall be resolved in accordance with Section 7 Disputes and Governing law herein.

#### **16. Infringement**

Seller represents and warrants that all goods and services (for purposes of this Section 16 hereinafter "items"), provided by Seller pursuant to this Purchase Order, which are not of Buyer's design, do not infringe or misappropriate any third party intellectual property rights and that any use or sale of such items by Buyer or any of Buyer's customers shall be free from any claims of infringement. Seller shall indemnify and hold Buyer, and its customers harmless from any and all expenses, liability, and loss of any kind (including all costs, expenses, and attorneys' fees) arising out of claims, suits, or actions alleging such infringement, which claims, suits, or actions Seller, hereby, agrees to defend, at Seller's expense, if requested to do so by Buyer. Moreover, Seller may replace or modify infringing items with comparable items acceptable to Buyer of substantially the same form, fit, and function to remove the source of infringement, and Seller's obligations under this Purchase Order including those contained in Section 13 Warranty and in this Section 16 shall apply to the replacement and modified items. If the use or sale of any of the above items is enjoined because of such claim, suit or action, Seller, at no expense to Buyer, shall obtain for Buyer and its customers the right to use and sell said item.

**17. Taxes and Drawback**

- (a) If Seller ships goods to the United States pursuant to this Purchase Order, Seller shall pay all duties, taxes, and fees imposed because of such importation. Seller's prices shall not include any duties, taxes, or fees for which Buyer has furnished a valid exemption certificate or other evidence of exemption acceptable to the applicable government agency. Seller shall separately state on Seller's invoice any applicable sales and use taxes in the price. Seller agrees to remit any taxes collected from Buyer to the relevant tax authority.
- (b) Any refund, credit, or rebate of any import duties, taxes, or fees (including any drawback claim), in Seller's price to Buyer, shall inure solely to Buyer's benefit and shall be assigned to Buyer. Seller shall reasonably assist Buyer in Buyer's effort to realize any such available amounts.

Seller shall not act as or engage an independent distributor, non-authorized distributor, non-franchised distributor, non-authorized supplier, or non-authorized reseller (collectively, Broker), to assist it in delivering goods pursuant to this Purchase Order unless the Buyer provides prior written approval to do so. Buyer's investigation may include the participation of third parties or governmental investigative agencies as required by law or regulations by Buyer's customer, or by Buyer, in its sole discretion. The Seller and/or the Seller's subcontractors shall cooperate in good faith with any investigation conducted by Buyer. Buyer shall not be required to return the good during the investigation process and thereafter if not found to be authentic. Buyer shall not be liable for payment to Seller of the price of any Suspect Counterfeit Items until determined to be authentic. If Buyer determines in its sole discretion that there is credible evidence that a good delivered under this Purchase Order constitutes a Counterfeit Item or Suspect Counterfeit Item, Seller, or its subcontractor, shall, if directed by Buyer to do so, issue a GIDEP alert. Buyer reserves its right to issue its own GIDEP alert if Buyer concludes, in its sole estimation, that a good is a Counterfeit Item or Suspect Counterfeit Item.
