

# Raytheon Missile & Defense Freight Routing Guide - US Domestic

These instructions apply to ALL US domestic shipments where Raytheon pays freight

## Rules and Requirements:

- Authorized:
  - Small Parcel shipment weight (Gross or Dimensional / Greater of the two) - **MUST** not weigh over 50 lbs.
  - Surface/Ground Routing is normally more economical and the preferred method of shipping.
  - Air/Expedited routing - **MUST** be authorized by Procurement POC or PO - **PRIOR** to shipment
  - Shipping Collect or third party via RMD Logistics approved primary carriers
  - Consolidate multiple items shipped to the same destination on one bill of lading
- **NOT** Authorized:
  - Prepaid and Cash on Delivery shipments
  - Insured or Declared Value is not authorized
  - Use of unapproved transportation may result in having to pay freight charges
- Purchase Order Number or Repair Order Number - **MUST** be annotated on **ALL** carrier labels & paperwork
  - Includes Drop Shipment and 3<sup>rd</sup> Party transactions

**\*\*\*Account numbers for approved carriers must be obtained from Procurement or RMD Logistics\*\*\***

Surface Shipments		
WEIGHT in LBS	SERVICE	PRIMARY CARRIER
50 lbs. and under (size constraints apply)	Small Parcel Ground	FedEx Ground
