

# RTX Supplier Management

Our suppliers are an integral part of the global RTX team. They deliver innovative, cost-effective solutions that meet our high standards of quality and performance and enable us to solve our customers' most pressing challenges.

## Our businesses

**Collins Aerospace** is a leader in technologically advanced and intelligent solutions for the global aerospace and defense industry. Collins Aerospace specializes in advanced structures, avionics, interiors, mission systems, and power and control systems that serve customers across the commercial, regional, business aviation and military sectors.

**Pratt & Whitney** is a world leader in the design, manufacture and service of aircraft engines and auxiliary power systems, revolutionizing modern flight and going beyond for 100 years.

**Raytheon** is a leading provider of defense solutions to help the U.S. government and our allies and partners defend their national sovereignty and ensure their security. For more than 100 years, Raytheon has developed new technologies and enhanced existing capabilities in integrated air and missile defense, smart weapons, missiles, advanced sensors and radars, interceptors, space-based systems, hypersonics, and missile defense across land, air, sea and space.

## Our values

Our values drive our actions, behaviors and performance, backing our vision for a safer, more connected world.

- Safety
- Trust
- Respect
- Accountability
- Collaboration
- Innovation

## Potential supplier portal

Regardless of your company size, we highly recommend you create a company profile on the RTX potential supplier portal. The portal profile makes it easy for us to access your information when seeking suppliers for future opportunities.
