

Global DE&I Advisory Board

Our company's Global Diversity, Equity and Inclusion (DE&I) Advisory Board provides oversight and governance of our DE&I strategy. Chaired by our CEO and co-chaired by our chief diversity officer and chief human resources officer, the board meets regularly to bolster transparency and drive accountability for our DE&I efforts aligned to our four Pillars for Action. Together, these cross-business leaders help drive equity by championing inclusion and supporting equality of opportunity in our workforce and the communities where we live and work. They sponsor employee resource groups, mentor employees and serve as ambassadors both internally and externally, communicating the importance and progress of our DE&I initiatives and our position as a bold leader in this space.
