

## Updates to the November 2024 version of the RTX Flowdown of U.S. Government Contract Clauses

### November 2025

---

The following updates shall be incorporated in, and made an integral part of, the RTX Corporation Flowdown of U.S. Government Contract Clauses Under U.S. Government Contracts.

#### Commercial Products and Commercial Services Acquisitions:

#### **B. THE FOLLOWING DFARS CLAUSES ARE APPLICABLE TO ORDERS FOR COMMERCIAL PRODUCTS AND COMMERCIAL SERVICES UNDER DoD CONTRACTS:**

1. As a result of the DFARS Final Rule, the following clause is **ADDED**:
  - **252.204-7021** “Contractor Compliance With the Cybersecurity Maturity Model Certification Level Requirements” (excluding paragraph (e)(1)) (Applicable to Orders that contain a requirement to process, store, or transmit FCI or CUI. Excluding Orders that are solely for the acquisition of COTS items.)

#### Additional Clauses:

#### **B. OTHER CLAUSES AS APPLICABLE:**

1. As a result of the DFARS Final Rule, the following clause is **MODIFIED**:
  - **52.248-3** “Value Engineering-Construction” (Applicable to all Purchase Orders of \$90,000 or more.)

#### DoD Acquisitions:

#### **A. APPLICABLE TO ALL ORDERS WITHOUT REGARD TO DOLLAR VALUE:**

1. As a result of the DFARS Final Rule, the following clause is **ADDED**:
  - **252. 204-7021** “Contractor Compliance With the Cybersecurity Maturity Model Certification Level Requirements” (excluding paragraph (e)(1)) (Applicable to Orders that contain a requirement to process, store, or transmit FCI or CUI) (Excluding Orders that are solely for the acquisition of COTS items.)
