EAGLE SERVICE™ PLAN (ESP™) MAINTENANCE PROGRAM

For business and general aviation

Enhance long-term asset value, availability and performance through our predictive and preventive ESP™ maintenance programs.

ESP™ has no annual minimums and is transferable at the aircraft sale.

Why choose ESP™

ESP™ is a pay-per-hour maintenance program that guarantees long-term engine maintenance costs through a planned and preventative approach to maximize your flying time. It helps enhance aircraft value by ensuring your engines are maintained to the highest standard.

ESP™ Covers:

- Major scheduled engine maintenance
- Unscheduled engine & accessory maintenance
- Required engine & accessory upgrades
- ...and much more.

ESP™ Delivers:

- A long-term cost guarantee
- Enhanced aircraft resale value
- Transferability at aircraft sale
- No annual minimums

Coverage levels vary based on aircraft and engine model. Please contact us at getesp@pwc.ca for more information or login to the portal and visit the [Maintenance Programs](#) section to send a request.
