# EAGLE

Enhanced Automated Graphical Logistics Environment

Keeping product support simple.

The EAGLE mission is to provide integrated tools to create, modernize and sustain products throughout the product life cycle.

Product life cycle

| EAGLE S4000P | | | |

FMECA
- Failure modes
- Failure rates
- Preventive maintenance

S3000L
S2000M

EAGLE LPD

GEIA-0007 1388-2B

LPD
- Provisioning
- Task analysis
- Spares
- Consumables
- Training
- Support equipment
- Illustrated parts breakdown
